

By Alyce Hanson

“What’s the buzz? Tell me what’s happening.”

The City of Sunny Isles Beach is now offering a subscription service to City information. You sign up, and the City will send you information by email. This service, eSIBi (*electronic Sunny Isles Beach information*), is web-based and available 24/7 on the City’s website, www.sibfl.net.

On the home page of www.sibfl.net, click on **eSIBi**.

After entering an email address, a list of available categories will appear. These include: *Adult and Senior Activities, Youth Activities, Traffic Alerts, City Events and Concerts*, etc. Click to subscribe.

As an example, to receive email notifications about recreational activities, clubs and camps for youth, subscribe to *Youth Activities*. To receive information about group trips to operas, plays and professional sporting events, subscribe to *Cultural Event Trips*. You decide.

On eSIBi the user can subscribe and unsubscribe at anytime.

Be Sunny Isles Beach informed; add www.sibfl.net to your list of ‘My Favorites.’
