Greetings

Welcome to the fall 2011 edition of the Cultural and Human Services Calendar of Programs & Events. On behalf of the City, we are proud to present this catalog on park facilities and the activity and event offerings for the 2011 fall season. These offerings include concerts, classes, sports activities, cultural event trips and special events for the entire Sunny Isles Beach community.

The fall season welcomes students back to school and our winter residents back in town. We have prepared a fall season of programs and events to interest everyone. Students will notice a new name on their school as it was recently renamed the Norman S. Edelcup SIB K-8 School in honor of our mayor. You will notice this name throughout the catalog as several of these programs are hosted in the school. Residents will have a new park to visit as we opened Heritage Park over the summer. This new park will host several programs and events, most notably the annual Sunny Isles Beach Jazz Fest, on October 15.

To further our efforts in acknowledging our residents need for ease of registration and special offers, we continue to encourage everyone to get their official City of Sunny Isles Beach Resident ID card. This card will make participating in any of our many special events easier and more beneficial such as special gifts and raffles for cardholders only, as well as reduced pricing or admission for certain programs and events.

This fall we will premier the City's latest communication tool to provide information to all residents with a newsletter that will be mailed to all Sunny Isles Beach residents. This newsletter will supplement our existing communications where you can get up-to-date official City information: eSIBi, the City's e-mail information center; the website at www.sibfl.net; cable access channel 77, SIBTV; and the *Sunny Isles Beach Sun*. For more information about any of the programs and event offerings, or to receive information about upcoming events through the mail, please call the Cultural and Human Services Department directly at 305.792.1706.
