

Dear Police Department,

May 19, 2009

Thank you for teaching us how to arrest people at SIBCS. Your dog was amazing too. You are amazing people. You guys do your job very well. I will call you guys if there's an emergency at my house. You taught me a lot about your job. Thank you for showing us how you do your job.

Your dogs are awesome. They must have been trained for a long time. You are awesome too. I am going to have the same job.
