

City of Sunny Isles Beach

Voting Districts

Residents of the City of Sunny Isles Beach elect a mayor and four commissioners (seats 1 - 4) to serve on the City Commission. The city is divided into four residential areas with one commissioner per area filling commission seats 1, 2, 3, & 4. Candidates for mayor can reside anywhere in the city.

Seat 1 encompasses the northern region of the city, which consists of all addresses north of 178 St to the northern corporate city limits.

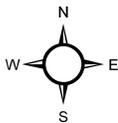

Seat 2 encompasses the northern central region of the city, which consists of all addresses south of 178 St. and north of 172 St.

Seat 4 encompasses the southern central region of the city, which consists of all addresses from 172 St. south to Sunny Isles Blvd. (SR 826).

Seat 3 encompasses the southern region of the city, which consists of all addresses south of Sunny Isles Blvd. (SR 826) to the southern corporate city limits.

City residents vote for mayor and all four commissioners to four-year terms. Each year, members of the City Commission elect one of the commissioners to serve as vice mayor for the coming year.
