RESPONSIBILITIES OF THE APPLICANT

PLEASE READ CAREFULLY BEFORE SIGNING

I hereby acknowledge that I am aware of the preliminary review of plans of the proposed project by the Department of Environmental Protection (**DEP**), and/or the Department of Environmental Resources Management (**DERM**), the Florida Department of Transportation (**FDOT**). In addition, the Miami-Dade County Fire Department (**MDFD**) for the staging area of the proposed project along with the Miami-Dade County Biscayne Bay Shoreline Development Review Committee will review and comment for approval all development applications. These comments sometimes include requirements for an additional public hearing before (**DERM**) and the Environmental Quality Control Board, (**EQCB**) in the preparation and execution of agreements to run with the land, which are recorded, prior to obtaining a building permit.

I understand that is my responsibilities as the applicant or applicants representative to promptly follow through with the compliance of **DEP, DERM, MDFD,** and /or Florida Department of Transportation **FDOT** requirements or to advise this office in writing if the application will not go forward and may be considered withdrawn. Contact with the above-mentioned agencies is advised during the hearing process.

Permit requirements: I also understand that the Florida Building Code, **DEP, DERM, MDFD,** and /or Florida Department of Transportation **FDOT** may contain requirements that affect my ability to obtain a required building permit for my project, even if the zoning application is approved at public hearing. I am aware that a Building Permit is required for all construction and that I am responsible for obtaining the required permit, all required inspections, the Certificate of Use and Occupancy or Certificate of Completion for any and all structures and additions whether proposed or existing without permits. Additionally I am aware a Certificate of Use and Occupancy must be obtained for the use of the property, if approved at a Zoning Hearing and that failure to obtain the required permits and/or Certificates of Completion, Use and Occupancy will result in the initiation of enforcement action against the occupant and owner. I further understand that submittal of Zoning Hearing application will not necessary forestall enforcement action against the property.

Fees: I understand that the hearing fees paid at the time of filing may not be the total cost of the hearing and that I will be advised of any other fees that can be associated with the public hearing application.
