Spring is a time for renewal and here in Sunny Isles Beach, spring is the season for renewed projects, events, programs and services. As we enter a new quarter, we are seeing the completion of several phases of capital projects, and we are entering new stages offering improved services for our residents and visitors.

For the last few years the City has made great progress on the Utility Undergrounding project. Although put on hold while the Florida Department of Transportation (FDOT) completed repaving the roads, upgrading signalized intersections, and improving crosswalks, the City has resumed the next phase of the Undergrounding project commencing the installation of decorative streetlights along Collins Avenue. With the work left to be completed, we anticipate the project concluding in early 2020.

Safety is always in the forefront of our minds and the Sunny Isles Beach Police Department has been making extraordinary strides to increase the security of our residents and travelers. It is with a proactive and visible presence that our police department oversees safety on the streets, in our school, and at our events. Another way to maintain the security of our City is by regulating short-term vacation rentals. Through the revised Ordinance 2018-522, we are able to identify all units renting for a period of six months or less to ensure these rentals are conducted in a secure manner.

Last year, our Cultural and Community Services department introduced new technologies including an emergency alert system called SIBAlert, and a YouTube video channel. Gateway LIVE! also debuted, and we are now seeing spectacular quarterly productions. Coming this year is an encore by Dueling Pianos and a Jersey Boys meets Mamma Mia tribute show.

There are many exciting projects in the pipeline we will soon see on the streets and in the parks. We are in the planning phase for three new pedestrian bridges over Collins Avenue at the Government Center, at 174 Street and at Sunny Isles Boulevard. These pathways will offer pedestrians a reprieve from crossing the busy Collins Avenue. Also to come is the interior build out at Gateway Park. This space is the future home for our senior and teen programming among many other activities.

This spring we have much to celebrate and look forward to as we welcome a new season of activities, events and accomplishments. Read on to see everything we have planned this quarter!

Government offices are closed on federal holidays.

The Sunny Isles Beach Government Center, situated in a pedestrian-friendly area at the heart of the City, opened in January 2005.

Within the 54,000-sq.-ft. edifice is the Commission Chamber surrounded by a civic plaza, combining landscape, water, and contrasting building materials. The inner-operations of the City are conducted in this building, and government meetings are generally held the third Thursday of each month.

Housed inside this vision you will find a satellite branch of the United States Post Office open Monday-Friday, brought through a partnership with the Federal Government, and the MDC Sunny Isles Beach branch library open Monday-Saturday, which offers an assortment of classes and programs in the City's first floor meeting room.

The first floor is completed with a Visitor Center, supported by the Sunny Isles Beach Tourism and Marketing Council. The Visitor Center offers tourists and residents alike a wealth of resources for finding activities and events

around South Florida. Sunny Isles Beach branded merchandise along with tickets to SIB Cultural Events are available for purchase as well.

Housed on the second floor of the Government Center is the SIB Police Department, open 24/7. Elevators from the lobby take visitors to the second floor during regular business hours, though after hours, the police department can only be accessed via the second level of the parking garage. Accident and crime reports may be requested at the records department.

The third floor of the Government Center provides residents, visitors and contractors information regarding code compliance, parking, building permits and business licensing.

The fourth floor is home to the City Commission; offices of the City Attorney, Clerk and Manager; human resources department; and finance department. Constituents may make appointments to meet with their elected officials or request public records from the City Clerk.

City Manager's Quarterly Report

Employee Altruism in Sunny Isles Beach

Christopher J. Russo
City Manager

Not only do our employees strive for greatness within their own department, they also contribute to communities in and outside of the City.

In my quarterly and monthly messages, I often discuss the larger, capital improvement projects we are working on, such as the Utility Under-grounding project, pedestrian bridges, or storm drainage projects. I would be remiss if I did not mention and recognize the extraordinary people behind the operation; the groups of individuals who work hard day in and day out for the City of Sunny Isles Beach. We have a top-notch staff dedicated to providing world class services and offerings to our residents and visitors.

As a way to recognize some of the City employees who go above and beyond and participate in such efforts, each year I award deserving employees the City Manager's Award. This past year, Sandra Block from the Police Department, Makia Curry from Human Resources, Brenda Long from the Building Department, and Humberto Martinez, Jr. from Information Technology received the City Manager's Award. These employees, nominated by their peers and supervisors, are typically the "go-to" person in their department, always willing to help anyone in need, even during off hours or on vacation. They are often recognized by the general public, their department heads, and even fellow co-workers, for their outstanding service and commitment to the City, and most importantly, they embody the altruistic spirit we value when hiring.

Altruism is the unselfish regard for the welfare of others, a trait highly revered and sometimes difficult to find in government. I am truly impressed with all of our staff who go the extra mile to serve, maintain our beautiful parks, care for our children after school, patrol the streets, and keep our community safe, among many other things. But not only do our employees strive for greatness within their own department, they also contribute to communities in and outside of the City.

In addition to keeping our City safe, the Sunny Isles Beach Police Department also donates their time and resources toward worthy causes. Last Thanksgiving, when it looked like several families in need were not going to receive turkeys during a local food drive, our Police Department went to the store and ensured these families had a turkey on the table. Each holiday season, the department also participates in the Police Officer Assistance Trust's (POAT) holiday gift drive for surviving children. POAT, a support organization for the law enforcement community of Miami-Dade County, provides gifts to the children of law enforcement officers who died in the line of duty. Several of our officers donate their time at collection tables in the area throughout the months of November and December.

The Police Department is also aiding communities outside of Miami-Dade, including a small town in Georgia, for which we were able to assist with their "Shop with a Hero" annual program last December. Our agency sent new toys and gifts along with monetary donations to help with holiday shopping for the needy in this

rural area. The department is also donating a much-needed surplus police vehicle.

Also in the holiday spirit, our After School Program hosted their annual toy drive in December benefitting Lotus House, a local non-profit organization dedicated to improving the lives of homeless women, youth and children. Our counselors personally delivered the collection of toys to the organization and spread holiday joy to the children at Lotus House with various counselor-led games and activities.

But our staff's efforts reach beyond the holiday season. We all know the Florida Panhandle was devastated by Hurricane Michael last October, and many cities in the area are still recovering. We began collecting and donating supplies such as generators immediately after the storm. However, the work did not stop there; we know this is a continuous effort. There is a small town in northwestern Florida, named Altha. With approximately 600 students attending their K-12 school, Altha was particularly hard-hit during Hurricane Michael. To complement the donations of school supplies they have received, the City of Sunny Isles Beach will be supplying other items that will brighten their day.

Altruism is more than just monetary donations. It is more than just collecting supplies for those in need. Altruism is the accumulation of a group of people who are committed to making the community and region a better place for all living in it. And we are lucky that here in Sunny Isles Beach, our outstanding staff appreciates the importance of and exemplifies this spirit.

Residential Areas

While we are well-known for the luxurious high-rise condos with ocean and city views along with unique developments and architecture, equally notable are the enclaves of single-family homes found at each end of the City and the lavish condos with breathtaking views to the west and on the Intracoastal Waterway. We are considered a walkable community and with the free shuttle bus service, you can comfortably leave your car in the garage to pursue shopping and dining along Collins Avenue.

Police in your Community

The Police Department is committed to proactive community policing. Officers are in the schools, on the streets, in the parks, and always there for you. You will often find them at City events providing important safety tips and promoting programs such as car seat installations, bike helmet fittings, and shred-a-thons.

THE MEANING OF PEDESTRIAN SIGNALS

Walking person symbol

Stays on about 7 to 15 seconds

ACTION: Walk briskly across the crosswalk.

Flashing hand symbol

Counts down by seconds

ACTION: Consider where you are before you take action. If you are in the middle of the crosswalk, keep walking briskly. If you are standing on the curb, stop. **DO NOT** start crossing; wait for the next walk signal. The flashing red hand tells you there is not enough time to begin walking.

NON-flashing hand symbol

ACTION: **DO NOT WALK**

Wait for the Walking Person signal to flash. Your safety is worth a few seconds more of wait time.

for your safety

Please review these guidelines to ensure a safer experience in Sunny Isles Beach for resident and visiting pedestrians, cyclists and vehicular traffic. The speed limit on both state roads, Collins Avenue and Sunny Isles Boulevard, is 35 miles per hour. The speed limit on all side streets in the City is 20 miles per hour. At designated times, in school zones, the speed limit is enforced at 15 miles per hour.

On the Road

- Remember: pedestrians always have the right-of-way
- Use caution when turning and look both ways to ensure a pedestrian is not in a crosswalk
- When the pedestrian crossing light is flashing, vehicles **MUST** stop; it's the law
- Vehicles must come to a complete stop in both directions when a school bus is stopped with flashing lights
- No stopping or standing is permitted in driving lanes
- Always wear a seat belt in the car
- Do not text while operating a motor vehicle

On the Sidewalk

- Never assume a vehicle will stop for you; do not rely on drivers to see you
- Walk on sidewalks and do not leave the curb suddenly
- Cross at intersections with traffic lights featuring a lighted 'walking person'
- City Ordinance 2014-432 prohibits skateboards and hoverboards on sidewalks along Collins Avenue and Sunny Isles Boulevard

On a Bicycle

- Bicyclists may ride from Heritage Park in the north end of the City to Gateway Park in the south with only a short traverse onto Collins Avenue near Publix
- Always wear a bike helmet properly
- To be more visible to motorists use front and back flashing lights
- Use hand signals when turning or slowing to a stop
- While bicycles should have the right-of-way, make eye contact with drivers to understand their intentions

What's New

North Bay Road Pedestrian Bridge & Gateway Pedestrian Bridge

- These two bridges provide alternative routes to walking on the busy Collins Avenue and Sunny Isles Boulevard.

Government Center Pedestrian Crosswalk Future Project

- This crosswalk will allow easy access to safely traverse Collins Avenue. In the future the City plans to construct two pedestrian bridges over Collins Avenue.

welcome!

Whether you are an exercise enthusiast or just looking to have some fun, we have a program close to home to keep your body and mind active.

As 2019 kicks in to full gear, many of us are trying to keep up with our New Year's Resolutions. The biggest struggles are finding time and something conveniently located close to home. The City is offering a great deal of activities and programs to get you moving this spring. There are programs for all ages, skill levels, and for residents and visitors!

We are offering a weekly free program at Town Center Park for all ages, Martial Arts in the Park. This 30-minute session is later in the afternoon, so you can still make it after work or school, whether it's just you or your whole family. Take part in a mindful activity such as yoga and oil painting or show off your free throw skills and join our basketball league.

Our active seniors can take advantage of multiple free programs at various locations. Tai Chi is an ancient form of exercise that can help maintain strength, flexibility and balance. Classes are offered weekly at Pelican Community Park and Samson Oceanfront Park. We also have Walking Club for those eager to reach their step goal. This spring, Walking Club is moving beachside to Samson Oceanfront Park. The group meets twice a week in the early morning hours to beat the hot afternoon sun and enjoy the fresh air.

For our young residents, we have an array of offerings, including karate, gymnastics, cheerleading, soccer, and more. We also have many programs that can challenge the mind, including chess, music production, and STEAM City Kids (Science, Technology, Engineering, Art and Math). Please check our website at sibfl.net/ccs for the most up-to-date listing of program times and availabilities.

All of our activities take place at one of the 11 parks throughout the City, which is only 2.5 miles long, and 1.5 miles wide. According to the Trust for Public Land, our City boasts an astonishing 98% of residents who are within a 10-minute walk to a park. So whether you are an exercise enthusiast or just looking to have some fun, we have a program close to home to keep your body and mind active.

Parks provide a chance for people to connect—where life long friendships are formed, where the gap between generations is bridged and people discover what they have in common. Parks foster a sense of community and are a vital component of *A World Class City*.

Most SIB City parks are Wi-Fi Hotspots where wireless internet access is free and ad free. All parks are equipped with a Thor Guard Lightning Prediction System that provides advance notice of lightning conditions. When activated, here is how the system works:

1	ONE long horn blast indicates possible lightning in the area
2	Get TO a safe indoor area immediately
3	THREE shorter horn blasts signal that it is safe to return to the park

Intracoastal Parks

159 to 163 Street, Collins Avenue

A linear passive park with art, paths, benches and a playground.

Playground is open 8:00 am–8:00 pm (park closes at sunset)

Sister Cities

The Sister Cities International Program was initiated in Sunny Isles Beach in 2005. The program encourages the exchange of culture, tourism and commerce between the member cities. Sunny Isles Beach currently has four Sister City partnerships.

Taormina, Italy

Taormina, Italy

This small, medieval town is located on the east coast of Sicily, Italy and known for its picturesque cliffs overlooking the Ionian Sea. Founded in the fourth century B.C., Taormina serves as a destination of historic interest for cruise ships anchoring in the bay at Port Giardini Naxos. Tenders take passengers to the City, where they can enjoy challenging hikes in the mountainous terrain or explore historic monuments in and around town.

Home to Europe's largest active volcano, Mount Etna, Taormina also boasts the Ancient theatre of Taormina, magnificent beaches, old churches, antique shops, lively bars and fine restaurants. Each June, for more than six decades, film industry greats gather at the Taormina Film Fest for one of Europe's premier film festivals. For more information, visit comune.taormina.me.it.

Hengchun, Taiwan

Situated at the southernmost tip of Taiwan island, this historic tourist destination features "Hengchun Old Town," an archaeological site, with four giant stone gates and a stone wall from the 1800s. Hengchun also serves as the entry way to the night markets of downtown Kenting and Kenting National Park, the gateway to tropical beach resorts, decorated with clear blue waters and pristine beaches with 300 miles of bike trails, body surfing, and snorkeling. For more information on this amazing destination, visit hengchuen.gov.tw.

Netanya, Israel

Netanya is a sparkling, cosmopolitan and lively city where visitors can enjoy an international-style vacation with beautiful beaches, promenades, wild cliffs, nature preserves and green parks. Those interested in the history of the region will find many locations to explore. The area also offers an assortment of entertainment, culture and leisure options, such as coffee houses, restaurants, shopping, a lively market, movie theatres, art galleries, as well as various outdoor public events and festivals during the summer. For more information, visit netanya.muni.il.

Punta del Este, Uruguay

This tourist destination is known for its beautiful beaches, casinos, luxury hotels, spas, restaurants and nightlife. Its location on a peninsula accentuates the natural beauty of white sands, sparkling blue waters, dunes, islands and lakes, abundant wildlife and exotic botanicals along the Atlantic shoreline. Visitors can find a variety of ways to spend their time, such as boating, visiting the beach, horseback riding, shopping, enjoying a round of golf or viewing fur seals or sea lions on Isla de Lobos. For more information, visit puntadeleste.gub.uy.
