For the last 11 years, the Sunny Isles Beach Jazz Fest held top billing on our extensive special event calendar. Jazz Fest has been a highlight of the fall season here in SIB, attracting guests from across the country with world-renowned acts. It has certainly been one of my favorite events to attend.

What first began as one performance by a jazz musician, grew to incorporate a wide array of performances across the spectrum of jazz and Rhythm & Blues. We introduced Jazz Fest in November 2008 with the great David Sanborn, six-time Grammy-award-winning saxophonist. It was after that show that we knew this event was special. Throughout the next 10 years, we brought distinguished acts to our city including Spyro Gyra, The Neville Brothers, Nicole Henry, The Spinners, The Coasters featuring Edwin Cook, and Michael Lington. Each performer was unique in their own way, yet still embodied the essence of jazz.

Though our traditional Jazz Fest has been historically successful, this year we are trying something new. While I am personally a jazz aficionado, our staff is working hard to transition Jazz Fest into a more inclusive festival, featuring various musical genres and acts. Our celebration will feature a more diverse lineup of music and song.

Sunny Isles Beach is made up of people from all walks of life with extraordinary stories to tell. On November 16, Jazz Fest will celebrate the multicultural and eclectic composition of our city. Throughout the upcoming months, we will be announcing our lineup of performances. Follow the City's social media pages on Facebook, Instagram and Twitter or visit our website at [sunnyislesbeachjazz.com](http://sunnyislesbeachjazz.com) to see the latest updates and announcements.

Government offices are closed on federal holidays.	

The Sunny Isles Beach Government Center, situated in a pedestrian-friendly area at the heart of the City, opened in January 2005.

Within the 54,000-sq.-ft. edifice is the Commission Chamber surrounded by a civic plaza, combining landscape, water, and contrasting building materials. The internal operations of the City are conducted in this building, and government meetings are generally held the third Thursday of each month.

Housed inside this vision you will find a satellite branch of the United States Post Office open Monday-Friday, brought through a partnership with the Federal Government, and the MDC Sunny Isles Beach branch library open Monday-Saturday, which offers an assortment of classes and programs in the City's first floor meeting room.

The first floor is completed with a Visitor Center, supported by the Sunny Isles Beach Tourism and Marketing Council. The Visitor Center offers tourists and residents alike a wealth of resources for finding activities and events

around South Florida. Sunny Isles Beach branded merchandise along with tickets for all events and programs are available for purchase as well.

Housed on the second floor of the Government Center is the SIB Police Department, open 24/7. Elevators from the lobby take visitors to the second floor during regular business hours, though after hours, the police department can only be accessed via the second level of the parking garage. Accident and crime reports may be requested at the records department.

The third floor of the Government Center provides residents, visitors and contractors information regarding code compliance, parking, building permits and business licensing.

The fourth floor is home to the City Commission; offices of the City Clerk and Manager; human resources department; and finance department. Constituents may make appointments to meet with their elected officials or request public records from the City Clerk.

## Creating Collaboration from Crisis in Sunny Isles Beach

Christopher J. Russo  
City Manager

*We are always  
working to keep  
our residents  
and visitors safe.  
We are prepared  
to create meaning-  
ful change that  
ensures the  
safety of our  
community.*

This past May on Mother's Day, our City experienced an incident unlike anything before. On a beautiful early afternoon, a drive-by shooting happened on Collins Avenue, causing disarray throughout the area. In the wrong place at the wrong time, innocent bystanders were injured, and one local business worker was killed just as he was finishing up his shift at work.

Despite the chaos that inevitably ensued, our Police Department was ready and prepared. Responding quickly, our officers secured the scene and began working with law enforcement throughout the area. Situations like this require collaboration on a greater scale. Fortunately, our mutual aid agreements worked flawlessly. Our neighbors to the north, the Town of Golden Beach, provided an incredible response to assist, and to our west, the City of Aventura maintained constant communication, even as they were dealing with a similar incident in their jurisdiction. Also throughout this time, Miami-Dade County Police worked in concert with our police department once a homicide had been declared and they took over the investigation.

At the time of the incident, I was just preparing to leave the City to celebrate the day with my wife, infant daughter and mother-in-law. Upon arriving to the scene, I was quickly joined by Vice Mayor Svechin, who happened to be nearby enjoying her own Mother's Day celebration. Together, we formed a command post with Mayor Scholl and developed a plan of action with the administration as law enforcement commenced their investigation.

I worked side-by-side with Police Chief Dwight Snyder throughout the afternoon and into the evening. We received updates and direction on the ways we could support the numerous agencies involved in this investigation. With many surrounding cities impacted, we communicated with their managers and mayors to provide key updates. We determined what information could be shared by the city, taking to social media to update the public on the traffic impact and direct our residents to the MDC Police feed for all official communication.

I want to recognize the dedication and hard work of our Police Department during this time of immense hardship, stress and grief. The commitment of our officers will never fail to impress me. Their response to the City was automatic, from both the officers on duty and even those off duty. Their team worked in conjunction with all law enforcement communities on site. We are extremely fortunate to have such strong law enforcement in our city and around Miami-Dade County.

On an administrative level, we are very proud of our city staff and elected officials for the outreach and provision of resources for residents that were impacted.

Working with our elected officials, we reached out to the American Red Cross to provide mental health counseling on-site at City Hall for any of our residents or local businesses seeking assistance.

Incidents such as the one that occurred on Mother's Day do not define Sunny Isles Beach. And they should not redefine your sense of safety in our community. Something like this had never happened before in Sunny Isles Beach, and we hope it never happens again. We must stay alert. Please do not forget the saying: if you see something, say something. Let law enforcement know if you see any suspicious activity or something that doesn't seem quite right.

Unfortunately, we cannot prevent all incidents from happening. But we can control how we respond. And our Police Department is more than equipped. Through our Mayor's outreach, we connected with the surrounding cities to discuss the next imperative steps. Here in Sunny Isles Beach, we are always working to keep our residents and visitors safe, and we will always inform you about decisions, news and procedures that impact our city. We will work together with our neighbors to discover what action should be taken to help prevent crises like this from occurring in the future. We are prepared to create meaningful change that ensures the safety of our community.

## Everything About Sunny Isles Beach *We're So Glad You Asked!*

Visitors return yearly to our coastal beach oasis enjoying the walkable paradise with family-friendly parks, luxurious hotels and pristine beaches. This desirable location, with its proximity to the ocean, inspires many vacationers to make our City their permanent home.

Immediately apparent to those who visit Sunny Isles Beach, the quality of life here is second to none. With high-end homes, conveniently located retail stores, an assortment of community and recreational programs, and a free shuttle bus service, the City is an inviting oasis for visitors and residents alike. When you consider our award-winning Police Department, A-rated schools, and superior healthcare resources, there is no other city quite as alluring as Sunny Isles Beach.

We deeply believe working closely with schools and community organizations helps develop a well-rounded and cultured student. The City encourages students to further their education following high school with the College Scholarship Program.

## Residential Areas

While we are well-known for the luxurious high-rise condos with ocean and city views along with unique developments and architecture, equally notable are the enclaves of single-family homes found at each end of the City and the lavish condos with breathtaking views to the west and on the Intracoastal Waterway. We are considered a walkable community and with the free shuttle bus service, you can comfortably leave your car in the garage to pursue shopping and dining along Collins Avenue.

## Police in your Community

The Police Department is committed to proactive community policing. Officers are in the schools, on the streets, in the parks, and always there for you. You will often find them at City events providing important safety tips and promoting programs such as car seat installations, bike helmet fittings, and shred-a-thons.

## for your safety

### HURRICANE SEASON

South Florida hurricane season begins on June 1 and ends November 30. Sunny Isles Beach is located in the Zone B floodplain where a hurricane may cause a storm surge, high winds, tornadoes, flooding, or loss of utility services. Be prepared.

#### Pre-register for Emergency Evacuations

Prior to hurricane season, residents who need assistance with daily living, medical needs, or specialized transportation must pre-register with the Emergency Evacuation Assistance Program. For applications call: Miami-Dade 311 (305.468.5900), TTY/TDD 305.468.5402. Individuals needing a pet-friendly Hurricane Evacuation Center (HEC) must also pre-register by calling 311. For each event the County will announce the HEC that accepts pets.

#### Hurricane Watches

Residents should follow hurricane watches closely. Even if a hurricane warning or an evacuation order is not issued, City parks and beaches may be closed due to high winds. Residents should clear balconies and secure objects in the yard. The Miami-Dade County School Board will decide when to close the Norman S. Edelcup SIB K-8 School. When the public school is closed, the City's After School Program will also be closed. The SIBshuttle service will stop running when sustained winds reach 30 miles per hour. Information regarding City services will be most current on the web at [sibfl.net](http://sibfl.net) and through social media.

#### Hurricane Warning

Hurricane warnings are issued 36 hours in advance of anticipated tropical storm force winds. Residents and visitors must complete storm preparations and immediately evacuate if directed. A family should take a 72 hour supply of food, water, medications, and cash to purchase necessary items if the evacuation becomes extended.

#### Evacuations

If Miami-Dade County gives the order to evacuate Zone B, all visitors in hotels and residents in condos and single-family homes are required by Florida law to evacuate. There will be no emergency services available once the island is evacuated. Try to evacuate to the home of a friend or family member who lives outside of the evacuation zones. Use a Red Cross Hurricane Evacuation Center (HEC) only as a last resort. Hotel staff will assist their guests with other accommodations.

#### Red Cross Hurricane Evacuation Centers & Bus Pickup Locations

When an evacuation order is given, open Hurricane Evacuation Centers (HECs) will be listed on local radio, television stations and at Miami-Dade County Call Center at 311 (305.468.5900, TTY/TDD 305.468.5402). Every shelter may not be open for every event. The County provides free transportation to HECs from predetermined pickup locations in Sunny Isles Beach:

**Arlen House Condominiums, 158 Street & Collins Avenue**  
**Winston Towers, 100 & 300 Buildings on 174 Street**  
**Golden Shores Area, 189 Street & Collins Avenue**  
**Ocean View Condominiums, 19300 Collins Avenue**

# welcome!

*Fall is a great opportunity to refocus our time on activities that bring us energy and positivity.*

Fall is a season that brings change. For many of us, the season resonates with the start of a new school year or a transition to a more structured routine. This is a great opportunity to refocus our time on activities that bring us energy and positivity.

Here in the Cultural & Community Services Department, we strive to provide a plethora of activities for all ages, from soccer, basketball, art, and music, to yoga, fitness, and social gatherings, such as cultural trips, mahjong, bridge, and more. If you are feeling particularly stressed, try one of our free yoga programs for all skill levels. Join us on Wednesdays at Samson Oceanfront Park for free sunrise yoga or bask in the moonlight at our monthly Full Moon Yoga session on the beach. Those interested in the arts can join our Oil Painting Club. This group, from novice to advanced, meets once a week, sharing tips and tricks while painting a hand-created masterpiece.

Our youth programming continues to grow each year. Our travel soccer program, SIB Select, took two teams to the ESPN Wide World of Sports Memorial Day Weekend soccer tournament last May, with the U12 team winning gold in their division! A second round of tryouts for this year will take place in August. We are also offering a similar competitive structure for our advanced cheerleading program this year, continuing throughout fall, winter, and spring. Some additional program options include volleyball, baseball, karate, guitar, and chess. You can see all program details at [activities.sibfl.net](http://activities.sibfl.net).

For those of you looking to give back to the community, please consider participating in our beach cleanups. These will take place every other month and rotate through various locations, days of the week, and times. We hope this rotating schedule will allow more of the community to participate. Check [sibfl.net/beachcleanups](http://sibfl.net/beachcleanups) for our upcoming schedule.

If you have any suggestions on programming or activities that you would like to see in the future, please contact us at [ccsd@sibfl.net](mailto:ccsd@sibfl.net). We hope to see you at one of parks or programs soon!

**Thursday**  
**5:00 pm**  
**Jungle Queen Dinner Cruise**  
**Fort Lauderdale, FL**  
 Jungle Queen's Dinner Cruise is a fully narrated cruise down Fort Lauderdale's historic New River. See Millionaire's Row with homes of the rich and famous, spectacular mega yachts, and sights beyond belief. The cruise takes you to a lush tropical isle where you can watch two live shows during and after an all-you-can-eat dinner. See exotic birds, lemurs and monkeys, and much more. The boat departs at 6:00 pm. Ticket price includes transportation, dinner and tour. The bus arrives at the Govt. Ctr. at approximately 10:00 pm. Moderate walking is required.  
**RESIDENT \$35**  
**NON-RESIDENT \$40**

**October 10**  
**Thursday**  
**6:45 pm**  
**Les Misérables**  
**Broward Center for the Performing Arts**  
 Cameron Mackintosh presents Alain Boublil and Claude Michel Schönberg's Tony Award-winning musical phenomenon, *Les Misérables*. Set against the backdrop of 19th-century France, *Les Misérables* tells an enthralling story of broken dreams and unrequited love, passion, sacrifice and redemption—a timeless testament to the survival of the human spirit. Featuring beloved songs *I Dreamed A Dream*, *On My Own*, *Stars*, *Bring Him Home*, *One Day More* and more. Show begins at 8:00 pm. Ticket price includes transportation and admission. The bus arrives at the Govt. Ctr. at approximately 11:30 pm. Moderate walking is required.

# Sister Cities

The Sister Cities International Program was initiated in Sunny Isles Beach in 2005. The program encourages the exchange of culture, tourism and commerce between the member cities. Sunny Isles Beach currently has four Sister City partnerships.

Netanya, Israel

## Netanya, Israel

Netanya, located between Tel Aviv and Haifa, was the first declared city in the new state of Israel in December 1948. There are many great historical places that offer a glimpse of ancient history and demonstrate the true genius of those that lived on this land more than 2,000 years ago.

Netanya is a sparkling, cosmopolitan and lively city where visitors can enjoy an international-style vacation with beautiful beaches, promenades, wild cliffs, nature preserves and green parks. The area also offers an assortment of entertainment, culture and leisure options, such as coffee houses, restaurants, shopping, a lively market, movie theatres, art galleries, as well as various outdoor public events and festivals. For more information, visit [netanya.muni.il](http://netanya.muni.il).

## Hengchun, Taiwan

This historic tourist destination at the southernmost tip of Taiwan island features “Hengchun Old Town,” an archaeological site, with four giant stone gates and a stone wall from the 1800s. In downtown Kenting visitors can enjoy the Shilin Night Market. Kenting National Park offers a glimpse of Taiwanese rural life. It is also the gateway to tropical beach resorts with clear blue waters and pristine beaches with 300 miles of bike trails, body surfing, and snorkeling. For more information on this amazing destination, visit [hengchuen.gov.tw](http://hengchuen.gov.tw).

## Punta del Este, Uruguay

This tourist destination is known for its beautiful beaches, casinos, luxury hotels, spas, restaurants and nightlife. Its location on a peninsula accentuates the natural beauty of white sands, sparkling blue waters, dunes, islands and lakes, abundant wildlife and exotic botanicals along the Atlantic shoreline. Visitors can find many ways to spend their time, such as boating, visiting the beach, horseback riding, shopping, enjoying a round of golf or viewing fur seals or sea lions on Isla de Lobos.

## Taormina, Italy

This medieval town on the east coast of Sicily, Italy is known for picturesque cliffs overlooking the Ionian Sea. The historic city and destination for cruise ships was founded in the fourth century B.C.

Taormina is home to Europe’s largest active volcano, the Ancient theatre of Taormina, magnificent beaches, old churches, antique shops, lively bars and fine restaurants. Each June, for more than six decades, film industry greats gather at the Taormina Film Fest for one of Europe’s premier film festivals. # *Hispanic Heritage Celebration*

## CONCERT IN THE PARK

Saturday, September 21  
7 pm  
Heritage Park

## ART & CULTURE SHOWCASE

Sunday, September 22  
5 pm  
Heritage Park

A man and a young girl are fishing together on a wooden dock. The man, wearing a green t-shirt, khaki shorts, a baseball cap, and glasses, is holding the fishing rod. The girl, wearing a white tank top and denim shorts, is also holding the rod. They are both smiling and looking at the rod. The dock is made of wooden planks and has two black conical lights on posts. In the background, there is a body of water, some greenery, and several tall apartment buildings under a warm, golden sky.

It takes vision to  
create a community...  
and dedication  
to sustain that vision.
