For the last 11 years, the Sunny Isles Beach Jazz Fest held top billing on our extensive special event calendar. Jazz Fest has been a highlight of the fall season here in SIB, attracting guests from across the country with world-renowned acts. It has certainly been one of my favorite events to attend.

What first began as one performance by a jazz musician, grew to incorporate a wide array of performances across the spectrum of jazz and Rhythm & Blues. We introduced Jazz Fest in November 2008 with the great David Sanborn, six-time Grammy-award-winning saxophonist. It was after that show that we knew this event was special. Throughout the next 10 years, we brought distinguished acts to our city including Spyro Gyra, The Neville Brothers, Nicole Henry, The Spinners, The Coasters featuring Edwin Cook, and Michael Lington. Each performer was unique in their own way, yet still embodied the essence of jazz.

Though our traditional Jazz Fest has been historically successful, this year we are trying something new. While I am personally a jazz aficionado, our staff is working hard to transition Jazz Fest into a more inclusive festival, featuring various musical genres and acts. Our celebration will feature a more diverse lineup of music and song.

Sunny Isles Beach is made up of people from all walks of life with extraordinary stories to tell. On November 16, Jazz Fest will celebrate the multicultural and eclectic composition of our city. Throughout the upcoming months, we will be announcing our lineup of performances. Follow the City’s social media pages on Facebook, Instagram and Twitter or visit our website at sunnyislesbeachjazz.com to see the latest updates and announcements.

Government offices are closed on federal holidays.

The Sunny Isles Beach Government Center, situated in a pedestrian-friendly area at the heart of the City, opened in January 2005.

Within the 54,000-sq.–ft. edifice is the Commission Chamber surrounded by a civic plaza, combining landscape, water, and contrasting building materials. The internal operations of the City are conducted in this building, and government meetings are generally held the third Thursday of each month.

Housed inside this vision you will find a satellite branch of the United States Post Office open Monday–Friday, brought through a partnership with the Federal Government, and the MDC Sunny Isles Beach branch library open Monday–Saturday, which offers an assortment of classes and programs in the City's first floor meeting room.

The first floor is completed with a Visitor Center, supported by the Sunny Isles Beach Tourism and Marketing Council. The Visitor Center offers tourists and residents alike a wealth of resources for finding activities and events around South Florida. Sunny Isles Beach branded merchandise along with tickets for all events and programs are available for purchase as well.

Housed on the second floor of the Government Center is the SIB Police Department, open 24/7. Elevators from the lobby take visitors to the second floor during regular business hours, though after hours, the police department can only be accessed via the second level of the parking garage. Accident and crime reports may be requested at the records department.

The third floor of the Government Center provides residents, visitors and contractors information regarding code compliance, parking, building permits and business licensing.

The fourth floor is home to the City Commission; offices of the City Clerk and Manager; human resources department; and finance department. Constituents may make appointments to meet with their elected officials or request public records from the City Clerk.

City Manager’s Quarterly Report

Creating Collaboration from Crisis in Sunny Isles Beach

This past May on Mother’s Day, our City experienced an incident unlike anything before. On a beautiful early afternoon, a drive-by shooting happened on Collins Avenue, causing disarray throughout the area. In the wrong place at the wrong time, innocent bystanders were injured, and one local business worker was killed just as he was finishing up his shift at work.

Despite the chaos that inevitably ensued, our Police Department was ready and prepared. Responding quickly, our officers secured the scene and began working with law enforcement throughout the area. Situations like this require collaboration on a greater scale. Fortunately, our mutual aid agreements worked flawlessly. Our neighbors to the north, the Town of Golden Beach, provided an incredible response to assist, and to our west, the City of Aventura maintained constant communication, even as they were dealing with a similar incident in their jurisdiction. Also throughout this time, Miami-Dade County Police worked in concert with our police department once a homicide had been declared and they took over the investigation.

At the time of the incident, I was just preparing to leave the City to celebrate the day with my wife, infant daughter and mother-in-law. Upon arriving to the scene, I was quickly joined by Vice Mayor Svechin, who happened to be nearby enjoying her own Mother’s Day celebration. Together, we formed a command post with Mayor Scholl and developed a plan of action with the administration as law enforcement commenced their investigation.

I worked side-by-side with Police Chief Dwight Snyder throughout the afternoon and into the evening. We received updates and direction on the ways we could support the numerous agencies involved in this investigation. With many surrounding cities impacted, we communicated with their managers and mayors to provide key updates. We determined what information could be shared by the city, taking to social media to update the public on the traffic impact and direct our residents to the MDC Police feed for all official communication.

I want to recognize the dedication and hard work of our Police Department during this time of immense hardship, stress and grief. The commitment of our officers will never fail to impress me. Their response to the City was automatic, from both the officers on duty and even those off duty. Their team worked in conjunction with all law enforcement communities on site. We are extremely fortunate to have such strong law enforcement in our city and around Miami-Dade County.

On an administrative level, we are very proud of our city staff and elected officials for the outreach and provision of resources for residents that were impacted.
Working with our elected officials, we reached out to the American Red Cross to provide mental health counseling on-site at City Hall for any of our residents or local businesses seeking assistance.

Incidents such as the one that occurred on Mother’s Day do not define Sunny Isles Beach. And they should not redefine your sense of safety in our community. Something like this had never happened before in Sunny Isles Beach, and we hope it never happens again. We must stay alert. Please do not forget the saying: if you see something, say something. Let law enforcement know if you see any suspicious activity or something that doesn’t seem quite right.

Unfortunately, we cannot prevent all incidents from happening. But we can control how we respond. And our Police Department is more than equipped. Through our Mayor’s outreach, we connected with the surrounding cities to discuss the next imperative steps. Here in Sunny Isles Beach, we are always working to keep our residents and visitors safe, and we will always inform you about decisions, news and procedures that impact our city. We will work together with our neighbors to discover what action should be taken to help prevent crises like this from occurring in the future. We are prepared to create meaningful change that ensures the safety of our community.

Clean Water Campaign
The City is committed to assisting and educating the community about our Clean Water Campaign. Our responsibility for clean water begins at home and continues in the workplace and the public spaces we enjoy. Visit our website at sibfl.net/cleanwater to learn more about the following topics:

- rain water
- impacts of storm water pollution
- proper disposal of household products containing chemicals
- waste management
- materials storage
- landscaping and irrigation
- vehicle and equipment maintenance and washing
- loading areas and operations

Report illegal dumping into storm drains or waterways at the Miami-Dade County 24 Hour Emergency Hotline 305.372.6955 or email details and photos to: envtlcomplaints@miamidade.gov.

Residential Areas
While we are well-known for the luxurious high-rise condos with ocean and city views along with unique developments and architecture, equally notable are the enclaves of single-family homes found at each end of the City and the lavish condos with breathtaking views to the west and on the Intracoastal Waterway. We are considered a walkable community and with the free shuttle bus service, you can comfortably leave your car in the garage to pursue shopping and dining along Collins Avenue.

Police in your Community
The Police Department is committed to proactive community policing. Officers are in the schools, on the streets, in the parks, and always there for you. You will often find them at City events providing important safety tips and promoting programs such as car seat installations, bike helmet fittings, and shred-a-thons.
HURRICANE SEASON

South Florida hurricane season begins on June 1 and ends November 30. Sunny Isles Beach is located in the Zone B floodplain where a hurricane may cause a storm surge, high winds, tornadoes, flooding, or loss of utility services. Be prepared.

Pre-register for Emergency Evacuations
Prior to hurricane season, residents who need assistance with daily living, medical needs, or specialized transportation must pre-register with the Emergency Evacuation Assistance Program. For applications call: Miami-Dade 311 (305.468.5900), TTY/TDD 305.468.5402. Individuals needing a pet-friendly Hurricane Evacuation Center (HEC) must also pre-register by calling 311. For each event the County will announce the HEC that accepts pets.

Hurricane Watches
Residents should follow hurricane watches closely. Even if a hurricane warning or an evacuation order is not issued, City parks and beaches may be closed due to high winds. Residents should clear balconies and secure objects in the yard. The Miami-Dade County School Board will decide when to close the Norman S. Edelcup SIB K-8 School. When the public school is closed, the City's After School Program will also be closed. The SIBshuttle service will stop running when sustained winds reach 30 miles per hour. Information regarding City services will be most current on the web at sibfl.net and through social media.

Hurricane Warning
Hurricane warnings are issued 36 hours in advance of anticipated tropical storm force winds. Residents and visitors must complete storm preparations and immediately evacuate if directed. A family should take a 72 hour supply of food, water, medications, and cash to purchase necessary items if the evacuation becomes extended.

Evacuations
If Miami-Dade County gives the order to evacuate Zone B, all visitors in hotels and residents in condos and single-family homes are required by Florida law to evacuate. There will be no emergency services available once the island is evacuated. Try to evacuate to the home of a friend or family member who lives outside of the evacuation zones. Use a Red Cross Hurricane Evacuation Center (HEC) only as a last resort. Hotel staff will assist their guests with other accommodations.

Red Cross Hurricane Evacuation Centers & Bus Pickup Locations
When an evacuation order is given, open Hurricane Evacuation Centers (HECs) will be listed on local radio, television stations and at Miami-Dade County Call Center at 311 (305.468.5900, TTY/TDD 305.468.5402). Every shelter may not be open for every event. The County provides free transportation to HECs from predetermined pickup locations in Sunny Isles Beach:

- Arlen House Condominiums, 158 Street & Collins Avenue
- Winston Towers, 100 & 300 Buildings on 174 Street
- Golden Shores Area, 189 Street & Collins Avenue
- Ocean View Condominiums, 19300 Collins Avenue

For up-to-date hurricane information from your City, sign up for SIBAlert notifications at sibalert.net. Register your mobile device to receive phone calls, text messages, or emails.

For non-emergency information dial 311 or 305.468.5900 for the Miami-Dade County Call Center; for hearing impaired, TTY/TDD 305.468.5402.

Fall is a great opportunity to refocus our time on activities that bring us energy and positivity.

Fall is a season that brings change. For many of us, the season resonates with the start of a new school year or a transition to a more structured routine. This is a great opportunity to refocus our time on activities that bring us energy and positivity.

Here in the Cultural & Community Services Department, we strive to provide a plethora of activities for all ages, from soccer, basketball, art, and music, to yoga, fitness, and social gatherings, such as cultural trips, mahjong, bridge, and more. If you are feeling particularly stressed, try one of our free yoga programs for all skill levels. Join us on Wednesdays at Samson Oceanfront Park for free sunrise yoga or bask in the moonlight at our monthly Full Moon Yoga session on the beach. Those interested in the arts can join our Oil Painting Club. This group, from novice to advanced, meets once a week, sharing tips and tricks while painting a hand-created masterpiece.

Our youth programming continues to grow each year. Our travel soccer program, SIB Select, took two teams to the ESPN Wide World of Sports Memorial Day Weekend soccer tournament last May, with the U12 team winning gold in their division! A second round of tryouts for this year will take place in August. We are also offering a similar competitive structure for our advanced cheerleading program this year, continuing throughout fall, winter, and spring. Some additional program options include volleyball, baseball, karate, guitar, and chess. You can see all program details at activities.sibfl.net.

For those of you looking to give back to the community, please consider participating in our beach cleanups. These will take place every other month and rotate through various locations, days of the week, and times. We hope this rotating schedule will allow more of the community to participate. Check sibfl.net/beachcleanups for our upcoming schedule.

If you have any suggestions on programming or activities that you would like to see in the future, please contact us at ccsd@sibfl.net. We hope to see you at one of parks or programs soon!

CULTURAL EVENT TRIPS policies

Reservations
Reservations are accepted on a first-come, first-served basis when full payment is made. Reservations are NOT accepted by telephone. Reservations can be made online at activities.sibfl.net or in person at Pelican Community Park, Monday to Saturday, 8:30 am to 8:30 pm and Sunday 8:30 am to 4:30 pm. On school days Pelican Community Park is closed to non-program participants Monday, Tuesday, Thursday, Friday from 2:30 to 3:30 pm and Wednesdays 1:30 to 2:30 pm. Registrations at SIB Government Center are accepted Monday through Friday, 8:30 am to 5:00 pm. Reservations for fall events begins August 5 for residents and August 19 for non-residents.

The waiver forms are available at the Government Center, Pelican Community Park and as a PDF download at sibfl.net/cultural-trips. You must have a valid City-issued SIB Resident ID Card in order to register for any City program at the resident rate and during the priority registration period.

Payment
Payment is accepted online by credit card or in person by cash, credit card (MasterCard/Visa/Amex) or by check. Mailed payment by check must be accompanied by a copy of your valid City-issued SIB Resident ID Card. Make checks payable to the “City of Sunny Isles Beach.”

Refunds
Full refunds can be made only when a reservation is canceled at least 7 days prior to the event trip. When the cancellation is made less than 7 days prior to the event, a refund of ticket price will be considered only if a replacement has been found to purchase the ticket.

Limited Ticket Purchase
When making a reservation for a cultural event trip, upon verification of residence, each participant may purchase a maximum of four tickets. For further information about an event, please call Cultural & Community Services at 305.792.1706.

Parks provide a chance for people to connect—where life long friendships are formed, where the gap between generations is bridged and people discover what they have in common. Parks foster a sense of community.

Most City parks feature free wireless internet access. All parks are equipped with a Thor Guard Lightning Prediction System that provides advance notice of lightning conditions. When activated, here is how the system works:

1. **ONE** long horn blast indicates possible lightning in the area
2. **Get TO** a safe indoor area immediately
3. **THREE** shorter horn blasts signal that it is safe to return to the park

### Intracoastal Parks
159 to 163 Street, Collins Avenue

The Sister Cities International Program was initiated in Sunny Isles Beach in 2005. The program encourages the exchange of culture, tourism and commerce between the member cities. Sunny Isles Beach currently has four Sister City partnerships.

Netanya, Israel
Netanya, located between Tel Aviv and Haifa, was the first declared city in the new state of Israel in December 1948. There are many great historical places that offer a glimpse of ancient history and demonstrate the true genius of those that lived on this land more than 2,000 years ago.

Netanya is a sparkling, cosmopolitan and lively city where visitors can enjoy an international-style vacation with beautiful beaches, promenades, wild cliffs, nature preserves and green parks. The area also offers an assortment of entertainment, culture and leisure options, such as coffee houses, restaurants, shopping, a lively market, movie theatres, art galleries, as well as various outdoor public events and festivals. For more information, visit netanya.muni.il.

Hengchun, Taiwan
This historic tourist destination at the southernmost tip of Taiwan island features “Hengchun Old Town,” an archaeological site, with four giant stone gates and a stone wall from the 1800s. In downtown Kenting visitors can enjoy the Shilin Night Market. Kenting National Park offers a glimpse of Taiwanese rural life. It is also the gateway to tropical beach resorts with clear blue waters and pristine beaches with 300 miles of bike trails, body surfing, and snorkeling. For more information on this amazing destination, visit hengchuen.gov.tw.

Punta del Este, Uruguay
This tourist destination is known for its beautiful beaches, casinos, luxury hotels, spas, restaurants and nightlife. Its location on a peninsula accentuates the natural beauty of white sands, sparkling blue waters, dunes, islands and lakes, abundant wildlife and exotic botanicals along the Atlantic shoreline. Visitors can find many ways to spend their time, such as boating, visiting the beach, horseback riding, shopping, enjoying a round of golf or viewing fur seals or sea lions on Isla de Lobos.

Taormina, Italy
This medieval town on the east coast of Sicily, Italy is known for picturesque cliffs overlooking the Ionian Sea. The historic city and destination for cruise ships was founded in the fourth century B.C.

Taormina is home to Europe’s largest active volcano, the Ancient theatre of Taormina, magnificent beaches, old churches, antique shops, lively bars and fine restaurants. Each June, for more than six decades, film industry greats gather at the Taormina Film Fest for one of Europe’s premier film festivals. For more information, visit comune.taormina.me.it.
