NEW ADDITIONAL REQUIREMENTS FOR RESTAURANTS

Miami-Dade County issued **Emergency Order 28-20** ordering updated requirements for restaurants in addition to those outlined in the **New Normal Handbook**. Below are the updated guidelines restaurants must adhere to effective August 31, 2020:

- ☒ Indoor dining restaurants are allowed to operate at 50% capacity, with six people maximum at a table, social distancing and facial coverings.
- ☒ Restaurants and food service establishments with seating for more than eight people shall close for on-premises dining between 10 pm and 6 am the next morning.
- ☒ Between the hours of 10 pm and 6 am, restaurants may operate their kitchens only for the purpose of providing delivery services, pick-up, room service, or take out services, and employees, janitorial personnel, contractors, and delivery personnel shall be allowed access to such establishments.
- ☒ HVAC systems must run with the fan on while customers and/or employees are in the establishment (not set to "auto"). Any doors and windows must be open in order to allow for maximum air flow and circulation.
- ☒ A per table party limit of 6 persons must be maintained whether seating is indoors or outdoors.
- ☒ Customers must wear masks at all times unless seated at a table and actively engaged in eating or drinking.
- ☒ Music shall be eliminated or set at a decibel level below that of a normal conversation.

Reminder: Restaurants must also comply with the guidelines listed in all current and future applicable **Miami-Dade County Emergency Orders** including, 20-20, 24-20, and 28-20, as well as the County's **New Normal Handbook**.
